 This map is a plot derived from data contained in the digital database Open-File Report 98-137, "Geology of the onshore part of San Mateo County, California: A digital database." A Pacific-type image of this map is included in the Open-File Report, but the Open-File Report does not contain a paper copy of this map. The Open-File Report consists of the digital data and a pamphlet explaining the database and indicating how to obtain the data from which this map was prepared as well as the PostScript image of the map.
 This report is preliminary and has not been reviewed for conformity with U.S. Geological Survey editorial standards or with the North American Stratigraphic Code. Any use of trade names or firm names is for descriptive purposes only and does not imply endorsement by the U.S. Government.
 The database identified as "Geology of the onshore part of San Mateo County, California: A digital database" has been approved for release and publication on the Internet as of 10/1/03. Although this database has been subjected to rigorous review and is substantially complete, the USGS reserves the right to revise the data and report to further analyze and review. Information is released on condition that neither the USGS nor the United States Government may be held liable for any damages resulting from its use or unauthorized use.
